IOV has also marked its presence around the globe by representing India in the “Advisory Forum Working Group” of International Valuation Standards Council as its esteemed member along with Institutional alliances with countries.

About IOV RVF

IOV Registered Valuers Foundation (IOV RVF), a subsidiary of IOV, is the largest, prestigious and most engaging “Registered Valuers Organisation” (RVO) recognised by the “Insolvency and Bankruptcy Board of India (IBBI)”. Currently, IOV RVF with more than 2000 Registered Valuers and 33 Registered Valuer Entities, around 40% of total valuers with IBBI in all classes of assets for Valuation is spearheading this new eco system in valuation.

About GVS

IOV has been conducting Indian Valuers Congress (IVC) for the past 54 years to bring the best minds in Valuation and deliberate on emerging topics in Valuation in order to sensitize valuers on consistent practices.

The Golden Jubilee Celebration of IOV was celebrated as Global Valuation Summit in October, 2019 at New Delhi on the theme "Valuation in Emerging Economies – Shifting Paradigms".

This year, IOV in association with IBBI and IOV RVF is holding 2nd "GLOBAL VALUATION SUMMIT" (GVS) on 24th & 25th November, 2023 at Mumbai. GVS presents an incredible opportunity to bring together global experts and discuss crucial topics from a global perspective, thereby providing a wider exposure.

“

During previous IVC and GVS, much has been deliberated upon shaping up the Valuation Ecosystem, its transformation, development and expansion. Now, the time is ripe when deliberations during this summit be focussed on the significance of the valuation profession for the future readiness of Indian Economy @ 2047, hence it becomes appropriate to **Deliberate upon “Mapping the Momentum and Global Outreach of Valuation Profession”**
